“Street of Dreams” Quality Designer Finishes**

This impeccable West Bellevue jewel built in 2003 is in like-new condition and features flex spaces that simply work for today's active household. The 'location, location, location' motto is fulfilled with the prestigious West Bellevue address at the end of a quiet cul-de-sac. Commute to shops, schools, and parks with ease. Beautiful 'Street of Dreams' spaces abound, both inside and out, yet the floor plan is 'safe', comfortable, and functional. Few homes enjoy the coveted combination of location, quality, and beauty, yet the mission is accomplished with this West Bellevue treasure. Priced to sell.
